ABOUT THE LIST

→ **GARDEN CENTER** magazine's Top 100 Independent Garden Centers list is based on 2015 revenue as reported by garden centers in North America.*

→ **GARDEN CENTERS** that declined to provide their 2015 actual revenue were not included in this list. We chose not to estimate revenues in order to maintain a completely accurate list that includes only retailer-submitted information.

→ **COMPANIES IN THE** *Garden Center* Top 100 Independent Garden Centers list earned combined revenues of more than \$1.1 billion in 2015.

→ **THERE ARE 36 STATES** represented in this year's list, with Illinois leading the way with eight garden centers. There are three garden centers from three different provinces in Canada on this year's list.

→ **RUSSELL'S GARDEN CENTER** of Massachusetts, founded in 1876, is the oldest company on the list, and there are two other businesses that were started in the

1800s. There are 10 independent garden centers that are 100 years old or more, and there are eight that were founded in the 2000s. The youngest business on the list, Shelly's Garden Country, located in Colorado, was founded in 2013.

→ **THANK YOU TO ALL** of the independent garden center representatives who submitted information, whether or not you were included on the list. Listed garden centers will receive personalized plaques. We look forward to continuing to work with you in the coming year, and wish all readers success in 2017!

→ **THIS LIST WAS COMPILED BY** *Garden Center* staff in the summer of 2016. Email Editor Michelle Simakis at msimakis@gie.net with questions or comments about this list.

**Garden Centers that reported the same revenue received the same ranking on the list and appear alphabetically. While there are a total of 103 companies on the list, not all numbers are listed because of the ties.*
