About this list

Garden Center magazine's 2022 Top 100 Independent Garden Centers List is based on 2021 retail revenue as reported by garden centers in North America. All Canadian retail revenue numbers have been converted to USD using the 2021 average exchange rate of 1.254. The number of store locations is based on the most recent information available. Garden centers that reported the same revenue received the same ranking on the list.

Thank you to all of the independent garden center representatives who submitted information. Top 100 Independent Garden Centers will be honored at the Garden Center Conference & Expo (Aug. 1-3 | Orlando, Florida).

*Garden centers that did not share their 2021 sales volume were not included in this list. In order to maintain an accurate list, no estimations were made. This list was compiled in Spring 2022. Email Editor Kate Spirgen at kspirgen@gie.net with questions or comments about this list.
