## 2023 COMMEMORATIVE POSTER

# Congratulations to the 2023 Top 100 Garden Centers!

gardencentermag.com

# **About this list**

Garden Center magazine's 2023 Top 100 Independent Garden Centers List is based on 2022 retail revenue as reported by garden centers in North America. All Canadian retail revenue numbers have been converted to USD using the 2022 average exchange rate of 1.3. The number of store locations is based on the most recent information available. Garden centers that reported the same revenue received the same ranking on the list.

#### Thank you to all of the independent garden center representatives who submitted information. The Top 100 Independent Garden Centers will be honored at the Garden Center Conference & Expo (Aug. 2-4 in Minneapolis, Minnesota).

\*Garden centers that did not share their 2022 sales volume were not included in this list. In order to maintain an accurate list, no estimations were made. This list was compiled in spring 2023. Email Editorial Director Kelli Rodda at **krodda@gie.net** with questions or comments about this list.
