TOP 100 2024 Commemorative Poster

About this List

- The PCT Top 100, a list of the industry's largest firms by revenue, is based on 2023 North American revenues. Firms submitted revenues online or via a form included in the January issue of PCT.
- The abbreviations on the list are as follows:
 - ** = estimated figure; n/a = no answer/unknown; NC = no change; GPC = general pest control; TC = termite control; Other = other services (see next bullet point); RES = residential; COM = commercial; EMP = employees.
- In the "other" category, services may include structural fumigation, construction services, nuisance wildlife control, irrigation repair and maintenance, insulation, bird control, pool services, lawn care, lawn maintenance, snow removal, tree care, weed control, heating and air conditioning services, gutter work, handyman services and more.
- Companies on the list earned total revenues of \$12,719,343,561 in 2023.
- There are 31 states and two Canadian provinces represented. Florida has 11 companies on the list. North Carolina, Texas and California each have 10 companies on the list. Utah has seven.
- There are nine companies on this year's list that were not on last year's: Moxie Pest Control, Irving, Texas; Brooks Pest Control, Orem, Utah; A-1 Termite & Pest Control, Lenoir, N.C.; Paul's Termite & Pest Control, Tallahassee, Fla.; Kilauea Pest Control, Kailua, Hawaii; Aimvo Pest Control, Blackfoot, Idaho; Accel Pest & Termite Control, Virginia Beach, Va.; Adams Exterminating, Denton, Texas; Fenn Termite & Pest Control, Buena Park, Calif.
- Rentokil Initial completed its acquisition of Terminix Global Holdings in October 2022, so both firms submitted revenue separately for last year's Top 100 list, which was based on 2022 revenue. This year's list reflects the merged company Rentokil Terminix.
- Entomo Brands was formed in 2023 by Center Oak Partners, a Dallas-based private equity firm. Its portfolio company, Palmetto Exterminators, acquired PestNow and formed Entomo.
- Alta Pest Control and Ardent Pest Control merged in February 2023, resulting in Alta Pest Control jumping 26 spots this year.
- For various reasons, several companies that were on last year's list declined to submit revenue figures for this year's list, so they are not included.
- PCT estimated the revenues for several companies on the list. PCT staff interviewed state association executives, industry consultants and others, as well as reviewed previously published figures, to arrive at these estimates.
- PCT vets companies' Top 100 entries throughout the year and reserves the right to not publish any information it believes may be inaccurate.
- When companies submit information with qualifiers such as "more than," PCT rounds to the nearest whole number since there is no way to discern the correct figure with the data provided.
- Visit PCT's interactive map at bit.ly/3JccnWU for company information and live links for each Top 100 firm's website.
- Email PCT Managing Editor Jason Brill at jbrill@pct.net with questions about this list.
