Jay Young

T&O Category Leader, Corteva Agriscience

A TRUSTED TREATMENT PROGRAM is key to creating and maintaining lush, green lawns and landscape areas. That's why Corteva Agriscience offers an easy way to earn rebates on the products you rely on for insect, weed and disease control. From October 1, 2024, through December 6, 2024, Corteva Ultimate Rewards is your ticket to top-notch rebates on all qualifying products.

1 What are the benefits of Corteva Ultimate Rewards?

Corteva Ultimate Rewards is the all-in-one program that allows you to earn rebate multipliers, lock in rates and take advantage of a flexible ordering period. You get the products you need to create exceptional lawns, at the best prices of the year. Best of all? The more you purchase, the greater the reward!

2 What products qualify?

It's not about getting the job done, it's about getting the job done right. And that means investing in premium products that are proven to work. That's why Corteva Ultimate Rewards includes preemergence herbicides like Dimension® specialty herbicide, Crew® specialty herbicide, fungicides like Floxcor® fungicide, as well as other fungi-

cides and granules. Bundle two or more of any of your favorite Corteva products for a minimum purchase of \$300 to receive a rebate. The more you buy, the bigger your bonus!

3 When should I purchase products?

Corteva Ultimate Rewards offers an early order period with top-notch rebates on all qualifying products from October 1, 2024 through December 6, 2024.

4 How do I save?

Taking advantage of the Corteva Ultimate Rewards program is simple:

- Visit [COREultimaterewards.com](https://coreultimaterewards.com), pick your distributor(s) and fill out your rebate form.
- Enjoy your locked in rebate rate through June 30, 2025.

With Corteva Ultimate Rewards, the power of more is in your hands. Learn more at [COREultimaterewards.com](https://coreultimaterewards.com).

Defendor® specialty herbicide saves time and money by controlling high-anxiety weeds before they bloom, reducing callbacks and minimizing complaints. It's extremely effective at controlling dandelion, clover and other annual and perennial broadleaf weeds. Get ahead of the weeds with Defendor specialty herbicide.
